Eric and Jim,

Let's move forward with the verbal for the carved out initial work. The property owner has been very patient with us and I would like to get the work going as quick as we can since there are customers and people routinely on the property. Please coordinate with Joe and Mark to make sure the initial funding that you are seeking is available. Eric...thanks for keeping this project moving forward.

Thanks much,

Eric M

Good Evening:

I feel we are close with Angela to move forward with the verbal. We have some specifics to work out with the Action Memo but I feel we are at the point where we can request a verbal. Angela's last question to me was "is there a way you could carve out some initial work if you want to go for a verbal?" That information is attached. Please let me know if you need any other information from me. Thanks

- Guardian Statement of Work
- Verbal cost estimate for 8 weeks of work (EPA, Weston and Guardian)
- The initial work that we plan to start the week of May 23, 2016 if a verbal is granted shortly
- Tentative calendar

Regards,

Eric
